Email

rivoltafilippo@gmail.com

I am a strongly motivated Front-end developer, I create accessible applications and websites with a keen eye on the comparisons of innovation and the technology stack. Full-stack wannabe, team player, I try to share new knowledge and collaborate with my team by promoting clear and active communication. I enjoy checking out new trends and writing articles by entering contact with the different realities of the web community.

+ ESPERIENZE LAVORATIVE

- Feb 2021 - Now **London Stock Exchange**
Senior Front-end Developer, Software developer
I continue my work as a software developer started at Borsa Italiana by joining the LSEG group.
- Sep 2019 - Feb 2021 **Borsa Italiana S.p.A - London Stock Exchange Group**
Front-end, Software Developer
I am part of the LSEG international team as a Front-end developer, I take part in the decision-making process and create web applications (AGILE), with a particular interest in development through modern frameworks and libraries (React, Express, Socket.io).
- Mar 2013 - Aug 2019 **Run Design Branding Agency**
Front-end Developer, Ui / Ux Designer
As a Front-End Developer and Ui / Ux Designer, I deal with understanding the requirements, objectives constraints and interact with projects to create websites and applications in line with the customer's brand, taking part in the design, prototyping, and development process with technologies such as PHP and JavaScript.
- May 2015 - Aug 2015 **Mediaset Premium**
Ui / Ux Designer, Run Design consultant
In collaboration with the internal team of the company, I took part in the realization of the User Experience and the development of the User Interface of Mediaset Premium's website.
- Mar 2014 - Dec 2015 **Mediaset Group**
Graphic Designer, Run Design consultant
In headquarters at the DCCI (Creative Direction for Image Coordination), I took part in the realization of press and web campaigns of the Mediaset brands.
- Aug 2012 - Mar 2013 **Freelance**
Web Developer, Web Designer
I was in charge of creating the Brand Identity and Experience of the customers, in particular developing fully customized solutions on CMS: Wordpress, Drupal.
- Dec 2011 - Mar 2012 **Arden Luogo del Possibile**
Photography teacher
